How It Works

Request access to our TryLogic Program, purchase your system using your promotional code, then take 30 Days to confirm that the system and configuration are right for your application.

For immediate assistance and additional information about TryLogic, please call **+31 85 2733760.**

The Fine Print

- This offer, in which normal restocking fees are waived, is limited to protoyping and testing for **qualified volume projects only**
- Customer agrees to provide feedback at the conclusion of testing
- Returned units must be **undamaged, unscratched and completely resellable**
- One unit per customer unless otherwise agreed to
- Units must be returned within 30 days of the initial ship date
- This offer does not extend to components
- Expedited assembly and shipping costs are not included
- Original retail packaging and included accessories must be returned
- All other Terms & Conditions apply
